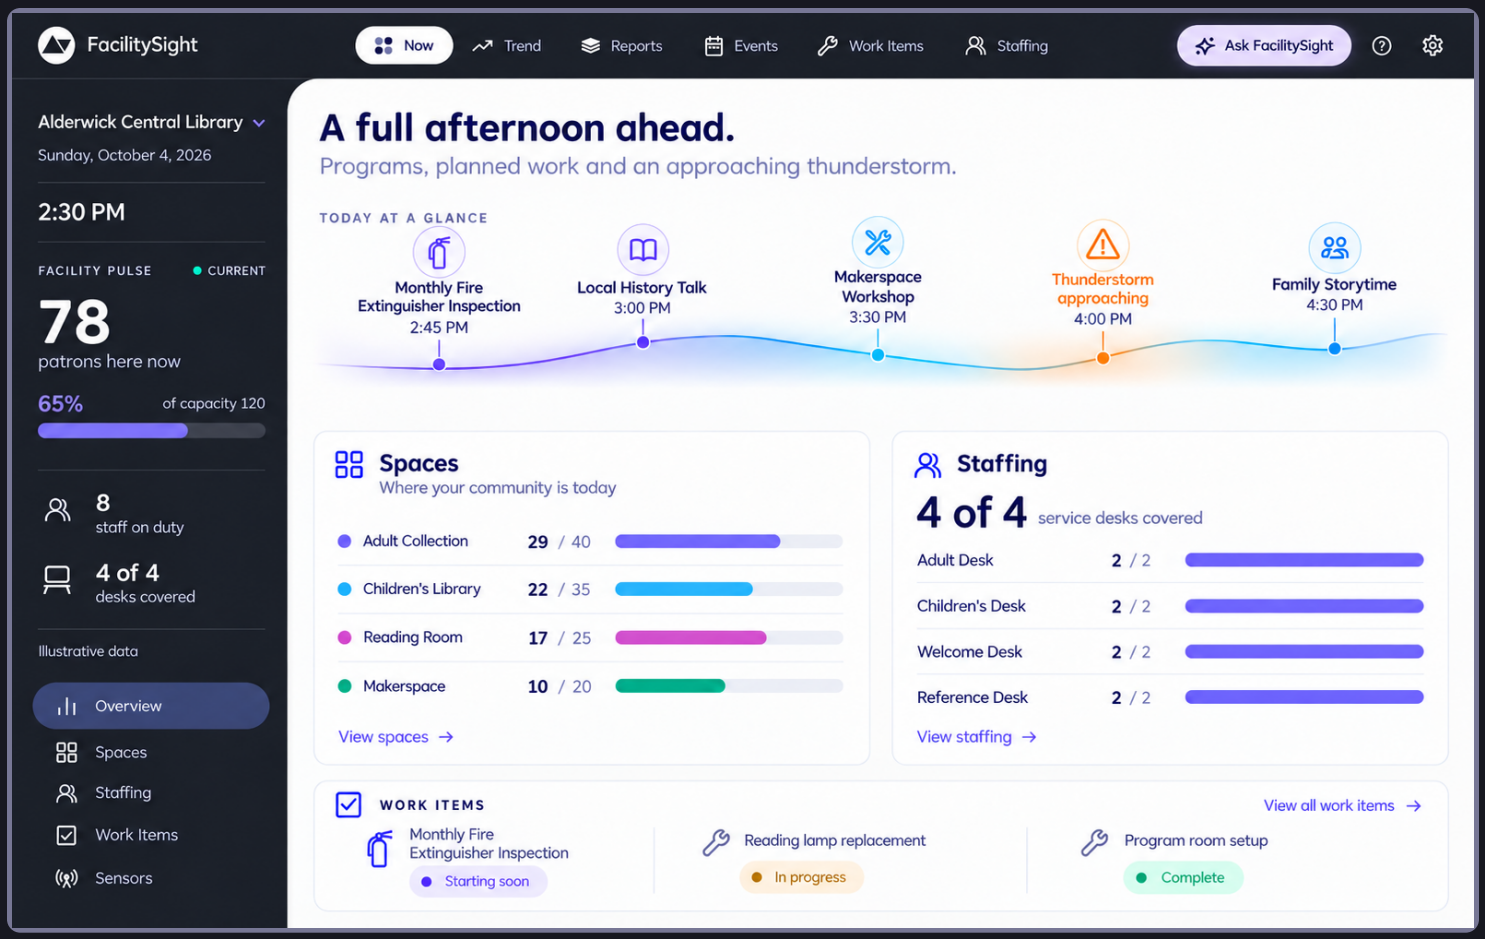
FACILITYSIGHT NEXT / FOR RURAL & SMALL LIBRARIES

Your library. Its full potential.

Connect your spaces, people, programs and work.
Turn everyday activity into decisions you can defend.



Illustrative Next dashboard. Example data; design may change.

People counting & spaces

Anonymous visits, occupancy, dwell time and child/adult patterns with suitable sensors.

Staffing & coverage

Build recurring schedules around availability and time off. Spot coverage gaps.

Events & programs

Connect calendars to attendance. Compare programs using hand counts or sensor estimates.

Work Items

Assign owners to issues and recurring checks. Keep checklists and resolution history.

Now, trends & forecasts

See the day clearly, compare periods and locations, and anticipate changing demand.

Reporting & insights

Compose charts, heatmaps, tables and notes into a stronger story for boards and funders.
